To: Board of Directors

SUBJECT: University of Cincinnati, Cincinnati, Ohio

Some time ago the Board approved the granting of a Chapter to the University of Cincinnati, College of Commerce, Cincinnati, Ohio. The writer made a special trip to Cincinnati, conferred with Brother Stevenson, Boston, Head of the Accounting Department, and together with members of our XI and XII Chapters now residing in Cincinnati, we interviewed our petitioners in the evening. They proved to be a representative college bunch, seriously interested in Commerce and in our opinion, exceptionally well qualified to further the interests of a professional commerce fraternity at the University of Cincinnati. Their petition reads as follows:

"We, the undersigned, being members in good standing, of the Deltastig Club, upon this day being properly registered students of Commerce at the University of Cincinnati, Cincinnati, Ohio, realizing the worth and benefit accruing from membership in an international fraternity, do hereby respectfully petition you to place us upon your approved list for the purpose of receiving the guidance and supervision of your national officers.

AND, FURTHERMORE, feeling the strength and having admiration for the progressive spirit of your brotherhood and also having a strong desire to compete with other Greek letter fraternities at this institution, do hereby petition that when we fulfill the position of dignity, customs and usages maintained by the average chapters of the International Fraternity of Delta Sigma Pi that we be granted a charter in regular form establishing us as a brotherhood in good and regular standing, subject to the laws, rules and regulations and equipped with all the privileges and usual working instruments of a chapter of the International Fraternity of Delta Sigma Pi.

Signed this 6th day of February, in the year of our Lord, one thousand nine hundred and twenty four." (Here follows the signatures of the twenty-three petitioners)

Our petitioners are of the following ages: 18-1; 20-1; 21-6; 22-2; 23-5; 24-3; 25-1; 26-1; and 28-1. They are very well organized, about half are from the day division and half from the evening division and in my opinion, are extremely well qualified to properly represent Delta Sigma Pi with credit in Cincinnati. Brother Hoyt, Chairman of the Extension Committee, has approved the granting of a charter and I request such approval from the Board. This letter is being sent you in duplicate. Please indicate your vote on one copy and return to me at once, as our petitioners are quite anxious to learn of their "fate". Retain the other copy for your files.

Fraternally yours,

President.
