Year in Review looks back on the accomplishments during 1993-94

A World of Brotherhood Grand Chapter Congress 1995

An Overview of Regional Conferences

FOCUS ON THE FRATERNITY

During the last several months I have had the opportunity to attend a number of fraternity events across the country, including seven regional conferences, a reactivation and a chapter installation. These trips provided a wealth of pleasant memories. The chance to see Brother from our Fraternity gather together to further develop themselves and their organization is something for which I will always be grateful. As I watched members interact, two constants became apparent.

First, the energy and enthusiasm of our collegiate members are unequalled. There should be no doubt that our fraternity continues to attract the best and brightest business students. Through their actions and their words, it is apparent that our members are excited about the opportunities Delta Sigma Pi has to offer and are constantly challenging themselves and their fraternity to increase and refine those offerings.

Second, the critical support provided by a number of our alumni has been inspirational. I am often asked what distinguishes Delta Sigma Pi from other organizations or what makes us a fraternity and not a club. Many people think that it is our Ritual or our pledge process. While

those are definitely important components, I believe that it is the active, committed support of our alumni that makes Delta Sigma Pi a unique fraternity.

When we were initiated, each of us took an oath to support our fraternity by meeting specific obligations of membership. That oath was for life. To a college student it is sometimes difficult to think past the end of the semester or graduation. After graduation a number of choices must be made concerning career, family, etc. Often our priorities must, and do, change. Yet, each of us continues to have an obligation to live up to that oath we took to always support our fraternity.

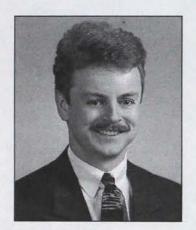

The avenues by which alumni can, and do, support Delta Sigma Pi are many. Many of our alumni serve as volunteer national officers or on national task forces. Many serve as mentors to collegiate members. Others serve as speakers at chapter professional programs. A large number are joining alumni chapters to continue their involvement. Even those with a very limited amount of time continue to demonstrate their support by making an annual financial contribution to the Fraternity

through the Leadership Foundation. Some do all of the above.

The actions and deeds of dedicated alumni who remain involved and committed illustrate the true meaning of fraternity and our principles far better than anything else ever will. To those of you who demonstrate your support regularly and faithfully, I say thank you. Thank you for inspiring our collegiate members to realize that a lifetime oath isn't voided when you receive a diploma. Thank you for ensuring that Delta Sigma Pi remains the unique fraternal organization that it has always been. Thank you for remaining true to your oath. Thank you for being Deltasigs — now and always.

The newly initiated Brothers of Delta Chi Chapter at Washburn University.

Fraterna Growth

fter an absence of four years, Delta Chi Chapter at Washburn

University was reactivated on November 19, 1994. Delta Chi Chapter was first installed on March 12, 1960, and was active for many years until declining membership and unsuccessful receivership forced it to go inactive in 1989. In March of 1993, expansion

materials were sent to Gail Carlson of Washburn University, who had expressed an interest in reactivating the Delta Chi Chapter of Delta Sigma Pi. On May 4, 1993, then Midwestern Regional Director John Callahan visited Washburn University and met with Dr. Richard Reicherter, Dean Lawrence McKibbin and 18 interested students.

In July approval from Dean McKibbin was received as well as a letter of intent from 26 interested students. The name Nu Delta Chi was chosen for the colony and officers were elected. Meetings were held each week throughout the summer. Fund-raisers were

planned, as well as a calendar of activities for the fall semester.

In September, 1993, then Chapter Consultant James Leingang visited Nu Delta Chi Colony and also met with Dean McKibbin and Dr. Reicherter.

Midwestern Regional Director Shanda R. Gray and Edward K. Zeller began frequent visits to assist the colony. Additional support soon came with the appointment of District Director Susan P. Saville.

In February, 1994, colony members submitted a petition that was not approved by the Board of Directors. The colony had not met several of the needed requirements. With lots of hard work since that time they more than tripled original membership and met all requirements.

In September a revised petition was submitted, and it was approved by the Board of Directors in October.

On Saturday, November 19, 1994, Deltasigs from across the country gathered in Topeka,

Kansas for the ceremony marking the reactivation of Delta Chi Chapter . Grand President Randy L. Hultz, Mid-American Provincial Vice President Norman Kromberg, Midwestern Regional Director Shanda R. Gray, District Directors Catherine M. Merdian, Suzan P. Saville, Edward K. Zeller, Sara Loos, Dawn Zehnle, Chapter Consultant Kathleen R. Dinius and members of Iota Chapter at the University of Kansas, Iota Omicron Chapter at Central Missouri State University, and Mu Upsilon Chapter at Baker University comprised the installation team.

Following the installation a reception and banquet were held for Brothers and guests at the Holidome.

Midwestern Regional Director Shanda R. Gray served as Toastmaster for the ceremony. The Invocation was given by Delta Chi Chapter member David Dittmer and Greetings were

extended from the university by Faculty Advisor Richard F. Reicherter.

A history of Washburn University was presented by Dean Greider and a history of the School of Business was presented by Delta Chi Chapter President Jennifer Beckwith.

Grand President Randy L. . Hultz presented the charter to Chapter President Jennifer Beckwith and Chapter Consultant Kathleen R. Dinius presented Fraternal Greetings from chapters and Brothers across the country.

Washburn University is one of numerous American colleges of Congregational origin. In the spring of 1857, the General Association of Congregational Ministers and Churches of Kansas voted to investigate the possibility of establishing a college in Kansas. Topeka was the final choice.

On February 6, 1865, the state issued a charter to Lincoln College which became Washburn University in November of 1868 in recognition of a gift from Deacon Ichabod Washburn. The first building on the present campus was occupied for the first time in the fall of 1874. In a special election in April, 1941, establishment of a municipal university carried by a vote of four to one. Official transfer of the property to Washburn Municipal University was made in June, 1941.

Washburn University offers programs in liberal arts and sciences, business, nursing, and education. There are four undergraduate and two graduate schools. Approximately 3,100 students attend full-time and 2,700 attend part-time.

Congratulations and welcome to the 40 new members of Delta Chi Chapter. These new members will now work to restore Delta Chi Chapter to a position of prominence at Washburn University.

he fraternity's 238th collegiate chapter and the state of California's 22nd came into existence on December 3, 1994, when Nu Rho Chapter was installed at the University of California at Davis. Fifty-four collegians and two faculty members were initiated as the charter members of this chapter.

As a student at the University of California at Davis, one cannot expect to find an official "business" major or affiliation. This has long been the concern of those pursuing degrees in Agricultural Economics or Economics. The smaller affiliations and clubs that provided a portion of what students were looking for lacked recognition outside the Davis campus. One student, Patrice Palomares, had a brother involved with Delta Sigma Pi.

The fraternity stirred much interest among the students of Davis. In the winter of 1993, action was taken to bring the fraternity to the campus. Patrice contacted The Central Office and was directed to then Western Regional Director Gregary Howell. Greg informed Patrice of the many requirements needed to start a chapter. Patrice contacted a friend, Mark W. Goyne, to help her.

In the spring of 1993, Patrice and Mark attended an area conference at San Jose State University. Both were impressed with the quality of Delta Sigma Pi's presentation. Since Davis did not have a business school, the students had to convince the Board of Directors that the Agricultural Economics and Economics majors were equivalent to a business degree at Business Schools. At the Grand Chapter

Congress in Anaheim, California, in August of 1993, delegates voted and approved UC Davis as the first non-business school to start a chapter of Delta Sigma Pi based on the Economics program.

Greg Howell helped plan the first informational meeting that would promote the fraternity on November 4, 1993. The meeting was a success with 65 prospective members in attendance. The second meeting was held on November 11, 1993. Delta Beta Alpha was chosen as the colony name and nominations were held for officers. Elections were held on November 18, 1993.

The officers from the newly installed Nu Rho Chapter at the University of California-Davis.

Delta Sigma Pi celebrates the return of Delta Chi Chapter to Washburn University in Topeka, Kansas, and the installation of Nu Rho Chapter at the University of California-Davis in Davis, California.

Meetings and events, including professional speakers, community service, fund raisers, and socials, were held during the next two quarters, fulfilling the requirements for a chapter charter.

Deltasigs from throughout the Western Province, and nationwide, gathered in Davis, California on December 3, 1994, for the installation of Nu Rho Chapter at the University of California at Davis. Grand President Randy L. Hultz served as Headmaster for the Ritual team. Other members of the installation team included Vice President for Alumni Benefits and Services Paul J. P. Garcia, Western Provincial Vice President Adrian R. Avalos, Regional Director John C. Neil, District Directors Kelly J. Kalemba and Gregary W.

Howell, Chapter Consultant Kathleen R. Dinius and members of Rho Chapter at the University of California-Berkeley, Gamma Omicron Chapter at the University of San Francisco and Lambda Mu Chapter at the University of the Pacific.

Following the installation of the chapter, a banquet was held at the Beverly Garland Hotel in Sacramento, California. Western Regional Director John C. Neil served as Toastmaster and Nu Rho Chapter member Darren Parker gave the Invocation.

Following the history of Delta Beta Alpha Colony, given by Nu Rho Historian Laura J. Ashbrook, Grand President Randy L. Hultz presented the Charge and Charter to Nu Rho Chapter President Mark W. Goyne. Fraternal Greetings were presented by Kathleen R. Dinius and special presentations were given to new initiates by members of the Sacramento Alumni Chapter. Also in attendance were special guests Past Grand President William W. Tatum, Jr., Mark A. Roberts, President of the Leadership Foundation, Claire Sammon Roberts and R. Nelson Mitchell.

Grand President Randy L. Hultz presents the Chapter Charter to Nu Rho Chapter President Mark W. Goyne.

Members of Epsilon Rho Chapter are presented recognitions and awards including the National Professional Activities Award at the South Atlantic Regional Conference.

Grade Point Average Award

Mu Upsilon Chapter at
Baker University in Baldwin
City, Kansas, is recognized as
the chapter attaining the highest
grade point average for the
1993-94 academic year. To
qualify for this award, the
submission of Scholarship
Reports to The Central Office
for each academic term was
required. The reported individual grade point averages
were then averaged for each
chapter.

Attendance Award

Delta Rho Chapter at Ferris State University in Big Rapids, Michigan, received the National High Attendance Award. The chapter conducted 30 business meetings during the academic year with an average attendance record of 98.7%. The second place attendance award went to Delta Omega Chapter at West Liberty State College in West Virginia with an average attendance record of 96.5%.

Fundraising Award

Zeta Theta Chapter at Western Kentucky University received two national fundraising awards for having the most profitable fundraising event and the highest annual profits. The chapter conducted a sale of ABACUS student planners through their bookstore and received net profits of \$15,000.00. The second place annual fundraiser was conducted by Alpha Eta Chapter at the University of South Dakota with profits just over \$8,300.00.

Most Improved CEI Award

Mu Pi Chapter at Pennsylvania State University-Behrend College achieved the greatest increase in Chapter Efficiency Index points from 1992-93 to the 1993-94 academic year. In 1993, 13,950 points were awarded to the chapter. In the next year, however, 82,944 points were achieved as of June 30, 1994, a substantial increase of 68,994 points. The second greatest CEI improvement was Mu Sigma Chapter at Barry University in Miami, Florida, with an increase of 60,450.

Zeta Theta Chapter members gather for a Chapter Consultant visit.

Chapter Advisor of the Year

National Winner

Dr. Kenneth Halsey Eta Pi Chapter Wayne State College North Central Region Dr. Halsey has served as Advisor of Eta Pi Chapter since 1987. In the last two years, he has attended 21 of the chapter's 22 professional speaker programs and attended 3 of the 5 tours. He is also active in all recruiting, service, and social events and attends regional activities.

Regional Winners

Mrs. Kristine Palmer Kappa Nu Chapter Longwood College South Central Region Mrs. Palmer has served as Advisor of Kappa Nu Chapter since 1983 and has received this award four times in the past. She has been active in regional events and has served on national committees. She attends weekly chapter business meetings and supports all chapter programs.

Dr. Kenneth Wiant Zeta Phi Chapter Florida Atlantic University South Atlantic Region Dr. Wiant has served as Advisor to Zeta Phi Chapter since 1992. He attends all professional activities conducted by the chapter and assists them with the co-sponsoring of an "Entrepreneur of the Year" award. Additionally, he coordinates team-building activities for the chapter.

Dr. Paul Sweeney Delta Chapter Marquette University Great Lakes Region

Dr. Sweeney has served as Advisor to Delta Chapter since 1992. He assists the chapter with the development of their professional programming and attends the events. He is also very supportive of recruiting events and social activities.

District Director of the Year

National Winner

Taleen S. Artunian South Pacific Region

Taleen S. Artunian served as District Director for Delta Sigma Chapter at Loyola-Marymount in Los Angeles, California. She is an alumnus of the University of Southern California.

Regional Winners

Lisa Allen New England Region Lisa Allen served as District Director for Theta Iota Chapter at the University of Connecticut and is an alumnus of the same.

Ron I. Carcamo Mid-South Region Ron I. Carcamo served as District Director for Gamma Zeta Chapter at the University of Memphis and is an alumnus of San Jose State University.

Scott J. Dinius Huron Region Scott J. Dinius served as District Director for Iota Lambda Chapter at Indiana-Purdue at Ft. Wayne and is an alumnus of the same.

Venkataramana Murty South Central Region Venkataramana K. Murty served as District Director for Alpha Lambda Chapter at UNC-Chapel Hill and is an alumnus of Bentley College.

John A. Watton Southeastern Region John A. Watton served as District Director for Kennesaw State College Colony in Marietta, Georgia, now Nu Pi Chapter. He is an alumnus of Florida Atlantic University .

B. Todd Whisenant South Atlantic Region

B. Todd Whisenant served as District Director for Theta Sigma Chapter at the University of Central Florida and is an alumnus of the University of Alabama.

Dawn M. Zehnle Midwestern Region Dawn M. Zehnle served as District Director for Lambda Omicron Chapter at Western Illinois University and is an alumnus of Quincy University.

Outstanding Chapter Award The present Activity

Atlanta Alumni Chapter 1994 Outstanding Alumni Chapter

The Atlanta Alumni Chapter is making a difference in the fraternity. This chapter believes in and lives the purpose of Delta Sigma Pi. For many years the Atlanta Alumni Chapter has been an ideal chapter in action. It makes a difference to individuals in metro-Atlanta through the involvement of its members in the community, in alumni chapter projects and projects of other organizations.

The primary focus of the Atlanta Alumni Chapter is to expand the diversity and interest of their service program. Their community service calendar for the year was filled with projects of donating time, food, toys, etc., to organizations in the Atlanta area.

As with all Deltasig chapters, a balanced calendar of activities includes social events. The Executive Committee plans events that appeal to all age ranges within the Brotherhood. The "First Thursday Fling" program has included a laser show, rollerblading, comedy club, country line dancing and a holiday celebration.

The Atlanta Alumni Chapter views collegiate interaction as the responsibility of all fraternity alumni and last year they included all Southeastern Region chapters in their activities.

The Atlanta Alumni Chapter also had the privilege to be a part of the development of the Nu Pi Chapter at Kennesaw State College. They provided the manpower for the first recruiting events, organized and conducted the pledge education meetings and then served as Big Brothers when the members of Kappa Sigma Chi Colony were pledged, and welcomed the members as our newest Brothers when they were initiated.

Iota Nu Chapter 1994 Outstanding Collegiate Chapter

Iota Nu Chapter has made extraordinary efforts to assist the Kirksville, Missouri, community with the numerous Community Service events that took place during 1993-94. Events ranging from cleaning up litter from the highways to fund-raising for causes such as Cystic Fibrosis and United Cerebral Palsy have made the chapter quite diverse in their activities.

The Professional Activities that Iota Nu Chapter planned and participated in have been beneficial to each Brother, and have displayed the professionalism that each Brother in the fraternity should hope to obtain. The speakers came from all areas of business so that each Brother was able to take part and enjoy.

Interchapter relations have also been a strong suit of Iota Nu Chapter. They have assisted with a struggling chapter in the Midwestern Region, and attended events throughout the area on numerous occasions. And still, they have found the time to conduct University concessions operations, participate in intramural activities and plan Brotherhood building activities for all to enjoy.

The involvement, dedication, attitude, and Brotherhood evident in Iota Nu Chapter has had a positive impact on the lives of students, the Division of Business and Accountancy, Northeast Missouri State University and the Kirksville community. The chapter has exhibited the ideals of Delta Sigma Pi to the utmost degree. Through their continued and constant focus on excellence and service to others, the chapter members are role models for others on campus, as well as for members of other chapters around the country.

The Outstanding Chapter Award is presented to the Collegiate and Alumni Chapter which, through its actions and activities, best exemplifies the professional spirit of the fraternity.

Members of the Atlanta Alumni Chapter enjoy the holidays with a festive celebration.

Members of lota Nu Chapter enjoy a Brotherhood building social activity.

Year in Review

In 1994, Delta Sigma Pi. . .

Maintained operations at 177 collegiate and 40 alumni chapters.

Initiated 3,713 new members including 131 Faculty Members and 22 Honorary Members.

Provided 33 Scholarships to members of Delta Sigma Pi through the Delta Sigma Pi Leadership Foundation, based on scholastic achievement, fraternal activities and financial need.

Provided consultation visits from The Central Office to 176 collegiate chapters.

Experienced fraternal growth as 16 colonies were established and maintained throughout the year.

Extended the Delta Sigma Pi family with the installation of new collegiate chapters at:

University of Missouri-Kansas City (Nu Xi Chapter) Our Lady of Holy Cross College (Nu Omicron Chapter) Kennesaw State College (Nu Pi Chapter)

Recognized 7 chapters that earned Honor Roll Status and 38 chapters that earned Honorable Mention in the Chapter Efficiency Index.

Continued to offer Group Life and Medical insurance, an affinity credit card, rental car discounts, an international alumni membership directory and a career development and placement assistance program for alumni through SkillSearch.

Witnessed the circulation of The DELTASIG of Delta Sigma Pi increase to over 37,000 per issue.

Held the first Delta Sigma Pi Leadership Academy sponsored by the Delta Sigma Pi Leadership Foundation through special phonathon efforts aimed at Life Members.

Witnessed total membership in Delta Sigma Pi reach 161,646 initiates worldwide.

A World of Brotherhood

40th Grand Chapter Congress

Those who have participated in previous meetings of The Grand Chapter often are at a loss for words to adequately describe the total fraternal experience that the convention offers. Each convention is unique, but there is a common thread of fun, fraternalism and simple good feelings about being a Deltasig that has been experienced by tens of thousands of Brothers since that first Congress held in 1914.

This summer, the millions of tourists who arrive every year to experience the wonderful attractions of Orlando, Florida, will be joined by hundreds of Delta Sigma Pi members and guests who will be attending the fraternity's 40th Grand Chapter Congress at the Peabody Orlando Hotel from August 8-13, 1995.

Members of the Central Florida, North Florida, Greater Miami and South Florida Alumni Chapters are eagerly awaiting your arrival. They have been working for months in preparation for the Congress and planning ways to make your stay in Orlando as interesting and enjoyable as possible. Come and experience their warm welcome.

Grand Chapter Congress is a highlight event for every Deltasig—an opportunity to meet fellow Brothers from throughout the fraternity; to learn more about the fraternity; to develop individual leadership skills and to form and renew special friendships. In this pull-out section of *The DELTASIG* you will find details on the conven-

tion. Also, a registration form and complete registration information is included on the last page of this issue for easy removal. We encourage you to register as soon as possible so we may send you additional information on the Congress, on Orlando, and on the Peabody Hotel.

Please mark your calendars and register now to join Brothers from across the nation in Orlando for several days of learning, sharing, excitement, entertainment and fun! You may win the *free* airline ticket!

Cinderella Castle is just part of the magic and excitement that you can experience in Orlando.

Inside

The DELTASIG of Delta Sigma Pi

GRAND CHAP

The City

The four theme parks of The Walt Disney World Resort appeal to all ages.

Orlando is a city of almost unlimited vacation attractions. The most famous attraction in Florida is The Walt Disney World®Resort which includes the Magic Kingdom® Park, Epcot®'95, Disney-MGM Studios and Pleasure Island. The people at Disney have developed these four theme parks to appeal to all ages and almost every interest. The kid in all of us becomes apparent as Mickey Mouse, Donald Duck, and Pluto surround us at the Magic Kingdom Park.

The four theme parks of Disney are only the beginning for those eager to visit theme parks. Sea World of Florida is located only one mile from the Peabody Hotel and offers some of the most exciting sealife shows in the world. The world famous whale Shamu performs daily, but while Shamu may be the star, the list of other performers and attractions is equally appealing.

For older children and adults, Universal Studios and Splendid China have become two very popular attractions. Universal Studios offers some of the most thrilling rides in the world with such block-

buster rides as Kongfrontation, E.T. Adventure, Earthquake-The Adventure, and Jaws. Splendid China is the newest attraction in Orlando and is a Chinese-themed journey through 5,000 years of Chinese history. Detailed replicas of China's most historic landmarks include a half mile long Great Wall, the Forbidden City, Tibet's Potala Palace, the Stone Forest of Yunan, and the life-size Suzhou Gardens. Live Chinese entertainment includes dancers, acrobats, martial arts demonstrations, jugglers and storytellers.

The fountain at Lake Eola is one of Orlando's lands

Whales perform in one of the spectacular sealife shows at Sea World of Florida.

Theme parks are but one appealing aspect of the city of Orlando. Frequent visitors to

Orlando generally spend more time talking about the shopping opportunities, the golf courses, the beaches, the water sports, the great restaurants, the beautiful hotels, and the great night life. The serious golfer can play a different course every day for almost three months. The serious shopper can visit one of the more than 300 outlet centers until they decide to visit the more traditional shopping malls with hundreds more stores.

Night life in Orlando is plentiful! One of the more famous Orlando night spots is Church Street Station which was renovated in the 1970's and consists today of restaurants, shops, and entertainment shows. The choices of entertainment at Church Street Station are many ranging from the Dixieland Band at Rosie O'Grady's Good Time Emporium to the loud, sometimes in tune singing coming from the Howl at the Moon. On Friday, Delta Sigma Pi members and guests will have the opportunity to experience the many shops and night life opportunities at the Pleasure Island Complex. Disney's newest addition has become a rousing attraction to Orlando!

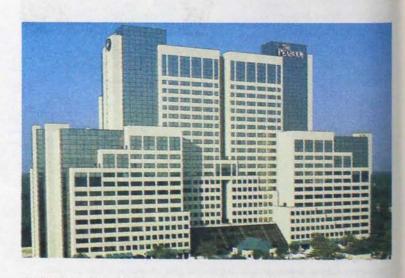

Church Street Station in the heart of Orlando is a block long entertainment complex

The Hotel

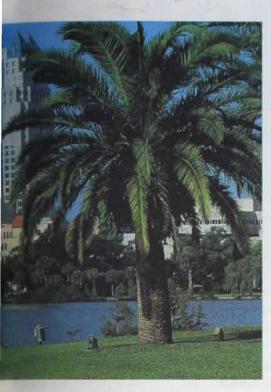

The Peabody Hotel in Orlando, Florida, is ranked as one of the best convention hotels in the world. The hotel offers a spectacular setting for the 1995 Grand Chapter Congress.

Reservations are now being accepted at The Peabody Hotel for members and guests of Delta Sigma Pi. Room rates excluding taxes are \$ 97 per night for single occupancy, \$ 110 per night for double occupancy, \$ 117 per night for triple occupancy, and \$ 127 per night for quad occupancy. These rates represent a tremendous value over the published rates for the Peabody Hotel which are as much as \$ 100 higher per night. To receive these lower rates, be sure to mention that you are attending the Delta Sigma Pi convention and are entitled to our negotiated room rates.

The Peabody Hotel in Orlando, home of the 40th Grand Chapter Congress.

addition to this wealth of information from other collegiate members, the fraternity has secured several exemplary speakers to share their expertise with Congress participants.

The Keynote Speaker for the Congress is **Joe Batten**, internationally acclaimed author and business consultant who has been described as "one of the five leading business consultants in the

world." A frequent guest on radio and television, Joe Batten has spoken to over 400 of the Fortune 500 companies. His book *Tough Minded Management* has been translated into 21 languages and is one of the best selling management books of all time.

The National Broadcasting Company (NBC) presented a two hour movie in April of 1994 about another Congress speaker. In the movie, *Broken Pledges*, the company highlighted the life of Ms. Eileen Stevens, founder of the Committee to Halt Useless College Killings (CHUCK). Her story of personal loss inspires us all to treat others with greater respect.

Delegates discuss proposed changes to the Fraternity's Bylaws and Ritual.

The list of exemplary speakers continues with **Dr. Stephen Stumpf**, author of the books *Taking Charge* and *Learning to Use What You Already Know*, and **Mr. Reginald Wilson** from the

Operation Enterprise Division of the American Management

Association. Come learn the expertise these many people canprovide to you and share the expertise that you can offer them.

The final benefit of attending the Congress is the chance to influence and shape the future of your fraternity. Dozens of important issues will be decided at this Grand Chapter Congress including the elections of the Board of Directors of the fraternity. Discussions have been held this fall on amendments to many of the fraternity's vital documents, and changes to these documents will be voted on by chapter delegates at the 40th Grand Chapter Congress.

Brothers gain expertise and share ideas at educational sessions.

Congress during their vacation to enhance their fun by sharing it with friends and Brothers. Mar which can benefit them in

Many people attend a

friends and Brothers. Many Brothers and guests gain contacts which can benefit them in their professional and fraternity careers. It is not a common occurrence for college students to meet a top business leader, but that happens at every Grand Chapter Congress as one outstanding business person is initiated as the fraternity's National Honorary Member.

Gaining expertise is another benefit from attending a Grand Chapter Congress. Brothers from over one hundred chapters will be attending the Congress. The exchange of ideas at a Congress is amazing as outstanding programs and excellent ideas are described by the chapter members who implemented them. In

Collegiate and Alumni Chapter delegates participate in Business Sessions and consider numerous issues concerning the future of Delta Sigma Pi.

The DELTASIG of Delta Sigma Pi

As the home to The Walt Disney World Resort, Orlando is one of the most accessible cities in the world. Over 800 flights arrive and depart daily from the Orlando International Airport. Twenty-seven airlines serve the Orlando Airport including the domestic carriers of Delta, United, Continental, America West, American, USAir, and Northwest Airlines. For the 1995 Grand Chapter Congress, Delta Airlines has been selected as the official carrier for the fraternity.

Congress participants may qualify for an additional 5% discount on the price of your airline ticket by referencing our File Number of XL1035. These savings are available only on Delta Airlines and may not apply to some sales fares. These rates are available whether you purchase your airline ticket through Delta Airlines directly or through a travel agent. To take advantage of this program, you must provide our File Number of XL1035.

Brothers will arrive by air at the Orlando International Airport.

Grand Chapter Congress Transportation

Free Airline Ticket

Win a Free Airline Ticket To the 1995 Grand Chapter Congress!

In conjunction with Delta Airlines, one lucky Congress participant will receive a free airline ticket to attend the 1995 Grand Chapter Congress in Orlando, Florida! To register for this drawing, simply send in your registration fees and form for the 1995 Congress to The Central Office no later than April 17, 1995. Every participant registered for the Congress will be entered into the ticket drawing.

This ticket drawing does have some limitations. It can only be used for the 1995 Grand Chapter Congress. The winning participant must stay over a Saturday night. The ticket must be booked or purchased through the Director of Educational Services at The Central Office. The cost to the fraternity for this drawing cannot exceed \$ 350. No cash payments will be made to the ticket winner.

Your registration fees and form must be **received** at The Central Office on or before April 17, 1995. Registrations received after the seventeenth will not be considered for the ticket drawing. Don't just stand there, get your Congress registration to 330 South Campus Avenue, P. O. Box 230, Oxford, Ohio 45056-0230!

The Peabody Hotel is eleven miles from the Orlando International Airport. There are several transportation companies in the Orlando area which provide transportation from the airport to various Orlando hotels. The hotel does not provide transportation from the airport so you will need to make ground transportation arrangements to get to the Peabody.

Mears Transportation
Services Inc., provides shuttle
service every twenty minutes
from the airport to area hotels
including the Peabody Hotel.
Additional information on this
service will be provided to
everyone who registers for the
Congress. Taxi cabs are also
available with a one way round
trip expense of approximately
\$ 22. Numerous rental car
agencies have offices in
Orlando with generally
favorable prices.

For those Brothers and guests who are driving to the Congress, three interstate highways lead into Florida - Interstates 10, 75, and 95. None of these three highways lead directly to Orlando. From Interstate 10, head south on Interstate 75 until you reach the Florida Turnpike which leads to Orlando. From Interstate 95, proceed south past Daytona Beach, Florida, and head west on Interstate 4. Anyone driving to the Congress should invest in a good map before starting their trip. Additional directions to the Peabody Hotel will be provided to everyone who registers for the Congress.

Amtrak provides train service to Orlando and Kissimmee with the trains Silver Star and Silver Meteor. Train service to the Orlando area is primarily from the northeast and west. Bus service into Orlando is available from Greyhound Bus Lines. Due to changing schedules and routes, we encourage participants who are arriving by train or bus to verify their travel plans directly with Amtrak or Greyhound.

This issue of The DELTASIG honors those Brothers who were initiated in 1944 and have reached their 50th anniversary of membership in Delta Sigma Pi. We celebrate with these Brothers who are demonstrating their lifelong Deltasig experience.

Regionals

South Florida Alumni Chapter claims the prize for the best display of Brotherhood in the South Atlantic Regional Conference banner contest.

Beginning in September and ending in November, 1994, Delta Sigma Pi conducted its biennial Regional Conferences.

At three Regional Conference sites, the number of Brothers in attendance increased dramatically during the weekend! Brothers in the Gulf Western, Mid-South, and South Atlantic Regions added an initiation to the already hectic activities of these three Regional Conferences. Over 200 new Brothers will fondly remember their first Regional Conference as the day they were initiated into Delta Sigma Pi. In Orlando, Florida, and Jackson, Mississippi, Grand President Randy L. Hultz proudly welcomed these students into fraternity membership.

A highlight for many chapter members were the awards presentations made at each Regional Conference. Several months of hard work and effort are invested in any award application and Brothers in dozens of chapters waited anxiously for the results. A separate article provides a complete list of award winners for the 1993-94 academic year. It is difficult to describe the excitement generated in the winners and the determination of others to win an award next year.

The exchange of ideas is one of the keystone features of a Regional Conference. The scheduled educational sessions discussed the topics of membership education, recruiting, and fraternity Ritual. The informal exchange of ideas took on many forms from talks over lunch to late night brainstorming sessions. Hundreds of ideas were shared; problem areas were discussed; action plans were devised; and enthusiasm was ignited in many Deltasigs.

For twenty lucky Brothers,

they left the Regional Conferences wearing a new addition to their collection of Delta Sigma Pi jewelry. A pearl and ruby fraternity badge was won by one Brother at each conference while at combined conferences, multiple winners were selected.

The elected leaders of Delta Sigma Pi attended every Regional Conference conducted by the fraternity. Chapter Advisors and District Directors were quite active in promoting and attending the conferences. The nine members of the fraternity's Executive Committee collectively attended thirty-three Regional Conferences.

Especially busy were the twenty-one Regional Directors of the fraternity. They were responsible for the on-site administration and prior planning for the conferences. Details of each meeting, such as site selection, seminar topic and moderator selections, and event scheduling had to be planned well in advance to ensure a successful learning experience. Over 1500 Deltasigs and guests attended the sixteen Regional Conferences, making the 1994 Regional Conferences quite successful.

Brothers in attendance at the Eastern Regional Conference gather with Brother James Jacobs (son of founder Harold V. Jacobs) and his wife Julia.

Alumni CHAPTERS SPEAK

Atlanta

The Atlanta Alumni Chapter is an alive and active group of Brothers that has much to offer you through professional, service, and social programs. We have activities planned in the following areas: Professional: monthly dinner meetings with presentations about home, car, and personal safety; nutrition; and tours of local establishments. Service: assisting local collegiate chapters, serving the fraternity on a national level, and participating in 1996 Olympic Force Volunteer Signature Events (qualifies us to volunteer at the 1996 Olympics). Social: First Tuesday Flings - different activity each month (e.g. comedy club, trivia nights, country line dancing, volleyball league, putt-putt golf, etc.).

For those of you who are seeking employment in the Atlanta area, we are offering all Deltasigs an additional way to get your name out there in the job market. For free, you can advertise the type of job you are seeking. This is not meant to be a full resume service, but an additional method to assist with your job hunt. Contact your Provincial Vice President (they receive our monthly newsletter), or call our information line at 404-608-2449 to hear about upcoming events and to leave a message to receive more information about the Atlanta Alumni Chapter. We don't just talk about what alumni chapters should do, we are what alumni chapters are all about - Brotherhood!

Baltimore

The Baltimore Alumni Chapter honored Dr. Peter B. Petersen as its 1994 Business Person of the Year at a Johns Hopkins Club dinner on

October 21, 1994. Dr. Petersen has been a prominent faculty member of the Johns Hopkins University since 1979, a Brother since 1980, and is an active member of the Baltimore Alumni Chapter.

The chapter recently published its 1994 Baltimore Deltasig Directory and is planning more dinners, day trips and a weekender to Ocean City, Maryland.

For information on any of the activities of the chapter contact President Jeanne A. Stinchcomb at 410-799-1448.

Central Florida

The Central Florida Alumni Chapter held a holiday party the first part of December for Deltasig alumni and families. The gathering was well attended by both members and prospectives alike, and all had an enjoyable time meeting new people, visiting with old friends, and exchanging gifts.

Sacramento Valley

The Sacramento Valley Alumni Chapter started this fiscal year with an extremely successful membership drive which brought many new members into our folds. To celebrate summer we held a family picnic which included everything from volleyball to face-painting and frisbee to water balloon fights.

Many of our planned fall activities were ruined by the Major League Baseball strike, but we have put that behind us with a successful Founder's Day Professional Dinner at which members of the Lambda Mu Chapter at the University of the Pacific and the University of California-Davis colony were present.

The 19th Annual Christmas Party at Bill Tatum's house was cancelled in order to celebrate the installation of Nu Rho Chapter at the University of California-Davis and show our

support by attending the presentation of their charter.

The next few months will see the chapter hosting a Superbowl Party, a Kings B-ball game and participating in "Christmas in April," a local charity event. The chapter continues to serve the fraternity by serving in various national offices and attending Regional Conference. We continue to host monthly luncheons the first Wednesday of each month at the Old Spaghetti Factory as well as holding our regular business meeting the third Wednesday of each month.

St. Louis

This past year was another great year for the alumni chapter. In July, we had our annual fund-raiser, working a booth at the St. Louis 4th of July celebration. In December, the chapter contacted Family Haven, a United Way agency, for the name of a needy family they could sponsor for the holidays. Clothing, toys, canned and packaged nonperishable foods were collected.

Over 30 Brothers, friends and family decked the halls of the Old Cathedral on December 20. Although there wasn't any snow outside, the Christmas spirit filled the cathedral with everyone helping clean the church pews, decorating the trees, and setting up the manger scene. Breaktime was enjoyed by sampling sandwiches, Christmas cookies and treats, then it was back to work as the 90 poinsettias arrived.

Again, the St. Louis Alumni Chapter is preparing for the 12th Undergrad Weekend in March, 1995. The weekend will center around Brotherhood, with professional tours and activities.

For information on any of the activities of the chapter contact President Mark A. Jones at 314-352-6861.

Brother Esther DiGiacinto and Peter B. Petersen at the Baltimore **Alumni Chapter's Business Person** of the Year dinner.

South Florida

Brotherhood Is For Everyone and For Life! This was the theme of the South Florida Alumni Chapter's winning banner at the South Atlantic Regional Conference in November. The alumni had a great turnout for the Regional Conference in Orlando...it was just a sample of the outrageous time we will all have in August during the Grand Chapter Congress. We are proud to be the hosts for 40th Grand Chapter Congress and we are anxiously planning for a week of fun and Brotherhood in our Sunshine State. Speaking of Sunshine... it is 78 degrees and beautiful right now in January! Jealous? Come on down! We would love to have new members in a growing alumni chapter. Call Alex at 407-736-0975.

The South Florida Alumni Chapter celebrated the holidays with our annual party. The toy drive by the chapter for Adopt-A-Family was a big success. We also made our annual holiday phone calls to the "cold" but spirited national officers! Happy 1995 from the South Florida Alumni Chapter! See you in Orlando for the 40th Grand Chapter Congress.

Members of the St. Louis Alumni Chapter attended the Midwestern Regional Conference.

Alumni NOTES

Products Company, following a 30-year career and has acquired a second full-time sales/marketing career with Orchard Supply Hardware in Redwood City, California.

William G. Lakanabe, California Poly-Pomona, is currently Director of Materials & Purchasing at Fibermux in Chatsworth, California.

Joseph A. Liotta, CFP,
Christian Brothers, a financial
advisor in the Melville office
of Prudential Securities
Incorporated, was the kick-off
speaker at a conference in
November, sponsored by the
Pennylvania Investment
Academy at the Wharton
School of the University of
Pennsylvania. Mr. Liotta gave
an overview of the securities
industry to the group.

James C. Dumville, Georgetown, was recently awarded his Ph.D. in Managment from Virginia Commonwealth in Richmond, Virginia. He presently teaches management courses at Chowan College in Murfreesboro, North Carolina.

David D. Long III, Georgia State, has now completed a rigorous two year course with the National Graduate Trust School of the American Bankers' Association in his position as Vice President and Trust Officer with the Personal Trust Division of First Tennessee Bank, N.A. in Knoxville, Tennessee. To earn this degree, he has completed 11 extensive correspondence problems, an in-debth financial planning problem and two intensive 2-week sessions on the Northwestern campus in Evanston, Illinois.

James W. Lich, Indiana-Indianapolis, has accepted a new position as Branch Sales Manager for Society First Federal Savings Bank in Fort Myers, Florida. This was a transfer from Society National Bank in Indiana.

Geoffrey M. Knoerzer,
Indiana Northwest, has been
appointed to the newly-created
position of Vice President Operations at Subscriber
Computing, Inc. (SCI), in
Laguna Hills, California.
Knoerzer will have overall
responsibility for client
support, quality assurance and
development, with all Product
Managers reporting to him.
Prior to joining SCI, Knoerzer
spent over 12 years in wireless
communications

Lawrence P. Kaplan, Indiana State, has been promoted to Western Regional Manager for the Florida Department of Citrus based in Salt Lake City, Utah.

Wayne O. McHargue,
Indiana State, was awarded the
Distinguished Alumni Award
by the Department of Insurance
and Risk Management of
Indiana State University. The
award is presented in recognition of dedication and service
to ISU students and to its
Insurance Program.

McHargue was president of the ISU Insurance Advisory Council during its first full year of operation, and is personally endowing a \$30,000 scholarship. Since he was President of Delta Tau Chapter during its first full year of operation, members of Delta Tau Chapter are given preference in the selection. He holds two masters degrees and six professional designations from various institutions and is affiliated with American United Life in Indianapolis.

Ernie Sifford, Kansas, has accepted a new position as

Customer Service Representative with Sprint/North Supply in Kansas City, Kansas.

Traci L. Crissman
Catalano, Loyola Marymount,
has started a catering and
events management company
called Fabulous Foods and
Events, Inc.

Diane Hauerwaas Krause, Loyola Marymount, received her MBA with honors from California State University at Long Beach in May, 1994.

Michael Z. Brenan, Miami-Florida, is a member of a rotating panel of financial experts established by the Miami Herald to answer questions in a column appearing in the Sunday Business section each week. The column, Ask the Experts, offers answers to questions of general interest from some of South Florida's top financial planners and advisors.

Brother Brenan is Retirement Plan Coordinator at Dean Witter Reynolds' in Coral Gables, Florida.

Joseph L. Wiest, Nebraska-Lincoln, has been promoted to Property Insurance Staff Underwriter with USAA Insurance in San Antonio, Texas.

Laurie Hubbell Wood, Nicholls State, received her M.B.A. from Samford University in December, 1992. She is currently a Compensation Manager with BellSouth Business Systems in Birmingham, Alabama.

Claren Leann Wilford, Northeast Missouri State, has accepted a position as Staff Accountant with Mueller, Prost, Prak & Willbrand, P.C. in St. Louis, Missouri.

Steve Meek, Angelo State, has been promoted to the position of General Manager with CompUSA Inc., in the company's Woburn, Massachusetts location, a Boston surburb. CompUSA is the largerst Computer Superstore retailer in the nation. Each of the company's facilities offers more than 5,000 computer products and a full-service technical department and classroom training facilities. The Dallasbased company currently operates 77 high-volume Superstores in 35 major metropolitan markets.

Jennifer Lackey, Angelo State, has been promoted to Assistant Softline Manager with K-Mart Corporation in Houston, Texas.

Scott A. Weber, Angelo State, has accepted a position as Vice President and Controller with Texas Independent Bank in Irving, Texas.

Rene Guerrero, Arizona, has accepted a new position as Computer Instructor with Lansing Computer Institute in Lansing, Michigan.

James D. Varden, Arizona, has been appointed Second Lieutenant in the U.S. Airforce and will attend undergraduate pilot training at Sheppard AFB in Wichita Falls, Texas.

Daniel R. Johnson,

Bellarmine, is currently the CEO for Charter Behavorial Health System of Indiana. His wife Stacy M. Johnson, Bellarmine, is Business Control Administrator for American General Financial Center. They reside in Evansville, Indiana.

Clifford L. Franz, California State-Chico, retired in June of 1992 from Chevron U.S.A

18

Alan R. Hannifin, Oklahoma, has relocated to Denver, Colorado and joined his brother as independent Oil and Gas Landmen. They specialize in the purchasing of oil and gas minerals/leases.

Laurence J. Mroz, Penn State-Behrend, has a position as Staff Accountant with KPMG Peat Marwick in Pittsburgh, Pennsylvania.

Wendy M.R. Aragon, San Diego, is currently a staff accountant for Security Pacific Finanical Services, a Bank of America subsidiary and has recently been selected as one of the "Honored 90" Bank of America employees as part of the Bank's 90th Anniversary celebration. The "Honored 90" employees have been recognized for giving excellent service to customers or coworkers and/or for contributing more than 30 hours of volunteer service. One of them will be selected to act as the Bank of America ambassador on an all expense paid trip to Genoa, Italy to present the city with a gift from Bank Of America. Genoa, Italy is the hometown of Bank of America's founder

A.P. Giannini.

Kenneth P. McGregor,
South Dakota, has been
selected by Wal-Mart Stores,
Inc. to spend six months in
Canada helping Wal-Mart
International convert 122
former Woolco Stores into
Wal-Mart Canada. He has been
with Wal-Mart since 1991.

Wesley Alan Taylor, Tennessee-Knoxville, opened his own CPA office in Elizabethtown, Tennessee, in the fall of 1993. He has been a Certified Public Accountant since 1986 and has several years of experience with various local and regional CPA firms. He is a member of the AICPA and is a licensed NASD Securities Representative. He is the 1994-95 President of the Johnson City Jaycees and the recipient of the 1992-93 Jaycee "Keyman Award."

Carlos Rubio, Texas-El Paso, has a position as Business Assurance Associate with Coopers & Lybrand in El Paso, Texas. He is also a member of the Accounting Committee at the Valle Verde Campus of El Paso Community College.

Daniel Scruggs, Troy State, has accepted a new position as an Audit Associate with Coopers & Lybrand L.L.P. in Atlanta, Georgia.

Karen Burroughs, Valparaiso, is the Senior Customer Accounts Representative with Toyota Motor Credit in Deerfield, Illinois.

Tammy Rohleder, Valparaiso, is the Racine Branch Manager with The Connolly Group, a staffing service, in Racine, Wisconsin.

Stephen Scott Harper, Western Kentucky, has accepted a new position as Investment Banker/Stockbroker with Thomas James Investments & Securities in Atlanta, Georgia.

Nancy Bacho Kenny, West Liberty State, has expanded her computer consulting and training business. Nancy B. Kenny & Associates has offices located in Fort Wayne, Indiana and Chagrin Falls, Ohio.

Investing in the future.

Invest in the future by building a legacy today. Our members have

Our members have available to them excellent classroom learning opportunities, as provided by their school or university. However, the traditional classroom does not focus on professional development, practical leadership experiences and the positive civic and commercial values shared within a chapter of Delta Sigma Pi.

Living Legacy Society

While the day-to-day operations of the fraternity are, and should be, totally financed through current income from members, the educational and scholastic objectives of Delta Sigma Pi need significant funds if future generations are to have opportunities uniquely experienced within our Fraternity.

The Board of Trustees of the Delta Sigma Pi Leadership Foundation continue to support the *Living Legacy Society*, a planned giving program for our Brotherhood, and welcome those who are interested in investing in the future of our fraternity.

To learn more about the Living Legacy Society, please call or write the offices of the Leadership Foundation at:

Delta Sigma Pi Leadership Foundation Post Office Box 230 330 South Campus Avenue Oxford, Ohio 45056-0230 Tel: (513) 523-5252

Chapter Profile

Lambda Rho Chapter at Livingston University is Involved in an Outstanding Business Project

Lambda Rho Chapter of Delta Sigma Pi at Livingston University in Livingston, Alabama, is the new management team of the Sumter Theater located in downtown Livingston. The theater which has been closed for almost two years reopened on Friday, October 28, 1994, with the box office hit "Forest Gump." A ribbon cutting ceremony was held before the movie.

Lambda Rho Chapter acquired the theater from local businessman Add Boyd. Boyd, at one time, had considered selling the theater, but opted to offer it to a university group to use as a business project. He contacted Paul Garner, Director of the Small Business Development Center (SBDC) to see if a business organization on campus would be interested in running the theater as a school project. Garner explained the situation to the members of Lambda Rho Chapter and they agreed it would be a wonderful learning opportunity for the group and a wonderful opportunity for the members to gain valuable practical business experience. Lambda Rho Chapter agreed to lease the property from Boyd

and pay him a percentage of the profits. With the financial backing of Livingston University's Students In Free Enterprise, Lambda Rho Chapter became the official management team of the Sumter Theater.

A massive clean-up effort was conducted by members of Lambda Rho Chapter to get the theater ready to open. The members were also responsible for constructing a complete business plan which included: obtaining a business license, opening a checking account, ordering supplies, and obtaining movie contracts. The Sumter Theater also had to meet the strict guidelines of the Livingston Health Department.

Commenting on this business venture, Garner said, "We hope it goes extremely well and we meet the needs of the people of Sumter County. This is one way Livingston University can contribute to the overall prosperity and economic growth of Sumter County."

Livingston University is very proud of the hard work and determination of the members of Lambda Rho Chapter.

Director of Small Business Development Center Paul Garner, Advisor Angie Harris and Lambda Rho Chapter members Ella Oxford, Jason Fowler, Kristy Pritchett, Michi Gilbert, Ruby Fenton, Anthony Edwards, J.J. Odon, Brian Poellnitz and Randolph Hoover gather outside the Sumter Theater for the ribbon cutting.

Please type or legibly print all requested information. Use a separate form for each person. This form may be photocopied as needed. Complete logistical information and a hotel reservation card will be sent after this registration is processed. Send completed registration forms to: Delta Sigma Pi; P.O. Box 230; Oxford, OH 45056-0230. Registrations paid by credit card may be faxed to 513-523-7292.

REGISTRATION POLICIES

- Registration fees do not cover any portion of hotel room costs nor meals which are not a part of the Official Convention Program for the respective registration category.
- The Advance Registration Fee schedule is in effect until July 8, 1995. Registrations received at The Central Office after July 8, 1995, will be processed at Regular Registration rates. After July 22, 1995, all registrations will be processed at On-Site rates. Do not send registrations to The Central Office that would be received after July 31, 1995.
- · Cancelled registrations will be refunded in full less a 10% per person service fee if the cancellation notice is received at The Central Office by July 31, 1995.
- Cancellations received after July 31, 1995 are not refundable.
- Transfer of registration will incur a 10% service fee.
- All fees are payable in full, in advance in U.S. dollars.
- Hotel reservations and other travel arrangements including air or rail reservations, ground transfers, etc., are the responsibility of individual participants.
- Participants in the events of the 40th Grand Chapter Congress are expected to comply with the Delta Sigma Pi Risk Management Policy, state and local laws and guest policies of The Orlando Peabody Hotel.

Plan A Family Vacation in Sunny Florida

40th Grand Chapter Congress August 8-13, 1995 Peabody Hotel Orlando, Florida

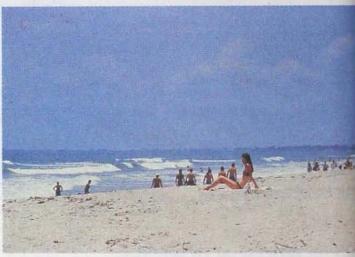

Abundant sunshine combined with the most famous attractions in the world make Orlando, Florida, one of the best places for a family vacation. After the usual tours of Walt Disney World Resort, Sea World, Epcot '95, Cape Canaveral and Universal Studios, the family can continue their vacation in dozens of ways. Many will spend their "extra hours" by shopping at the hundreds of outlet stores and shopping villages. Others may quickly head for the beach for some sun and fun or retire to one of the dozens of lakes for water sports or fishing. The more adventurous few may try hot air ballooning or the challenge of dozens of golf courses in the Orlando area.

Our convention hotel, The Peabody Orlando, encourages guests to bring the children along. Children will love the Peabody ducks, the action-packed game room, the Olympic size pool and the open-air whirlpool. For Mom and Dad, the hotel offers a 24-hour in-room child care service for the romantic evening you would love to have during your vacation. Reservations are recommended and a fee is charged.

Registration fees for children 12 and under are free and only \$10 per child for children between the ages of 13 and 18. Come join us in Orlando for a World of Brotherhood and a world of family fun.

Mercado Mediterranean Shopping Village features some 50 shops, 6 themed restaurants, two dozen food outlets and a vistors information center.

Florida's east coast beaches are just an hour's drive from Orlando; west coast beaches are two hours away.
