Executive Committee International Fraternity of Delta Sigma Pi 330 South Campus Avenue Oxford, Ohio

Gentlemen:

We, the undersigned members of Rho Mu Chi a colonized business fraternity at Robert Morris College, do hereby petition Delta Sigma Pi for a charter to establish a local chapter.

The goals and purpose of Rho Mu Chi fraternity parallel those of the International Fraternity of Delta Sigma Pi. Our fraternity was established to promote the study of business at Robert Morris College.

In seeking affiliation with Delta Sigma Pi, we promise to adhere to the bylaws and tradition set forth in the constitution of Delta Sigma Pi.

Dear Brothers:

It is indeed a pleasure for me to add my support to the Brothers and Sisters of Rho Mu Chi Business Fraternity of Robert Morris College (A.K.A. Delta Sigma Pi) as they seek national affiliation.

I am well aware of the difficulties Rho Mu Chi has had to face over its seven year existence on our Campus. There has been, however, a growing interest under capable student and faculty leadership.

The administration and faculty consider this to be a truly professional organization and in our opinion deserves this recognition. As a member of the Delta Sigma Pi Fraternity, I know that a chapter here at Robert Morris College would be one of which we both would be very proud.

I do hope you will give favorable consideration to their request for national affiliation.

Sincerely ewall

Gentlemen:

Recently the Brothers and Sisters of Rho Mu Chi Business Fraternity of Robert Morris College asked me to write a letter of recommendation in support of their petition for national affiliation with Delta Sigma Pi. I am pleased to have the opportunity to write in behalf of an outstanding group of young men and women on our Campus.

RRIS COLLEGE

NARROWS RUN ROAD CORAOPOLIS, PENNSYLVANIA 15108 (412) 264-9300

As you probably know, Robert Morris College is a collegiate school of business administration and strong support is always given to programs and organizations that reflect our business commitment. Rho Mu Chi has been a Business Fraternity at Robert Morris College since Spring of 1971 and has demonstrated a steady and influential growth pattern. The members have consistently displayed initiative and sincerity in all of their program efforts.

I can recommend the Rho Mu Chi Business Fraternity without reservation. It's my belief that the Chapter at Robert Morris College would be a valuable asset to the National Fraternity of Delta Sigma Pi.

Sincerely,

John R. Bassett Vice President for Administration

Dear Brothers:

The members of Rho Mu Chi, the professional business fraternity at Robert Morris College, have asked me to write a letter in support of their application for affiliation with Delta Sigma Pi. I am pleased to give my unqualified endorsement to this application.

Rho Mu Chi began at Robert Morris College in 1971. It encountered "growing pains" like most new organizations. One of its problems, however, sprung directly from the organization of all College undergraduate business programs into junior and senior divisions. This structure prevented any effective recruitment of freshmen and sophomores; the resulting membership tended to spend no more than a year or two in the fraternity before graduating. Delta Sigma Pi rightfully concluded several years ago that such an arrangement did not make for continuity.

I have consistently supported the objectives of a professional business fraternity in a quarter-century association with schools of business. At Marquette University, I served as faculty advisor to the Delta Sigma Pi Chapter. I saw first-hand the advantages active membership gave to students. Here at Robert Morris College, I have been pleased to watch the growing professionalism of students associated with Rho Mu Chi. The activities give each student experiences and opportunities for growth not available in the classroom.

The present membership of Rho Mu Chi with the assistance of an energetic faculty advisor have engaged in a variety of professional activities. Board of Directors Delta Sigma Pi February 25, 1980 Page 2

I believe they understand and are ready to embrace the responsibilities of membership in Delta Sigma Pi.

Sincerely,

Joseph M. Moriez

Dear Committee Members:

It is a pleasure for me to endorse the current members of Rho Mu Chi's application to become a chapter of Delta Sigma Pi.

As a student organization on campus, I believe Rho Mu Chi has addressed itself to the professional business development of not only its own individual members but also to the campus community at large.

I have known and worked with Rho Mu Chi since its inception on campus. I believe they have reached the level of development and commitment to be a viable ongoing organization that will serve their members, this college and your national in a positive professional manner.

I highly recommend this group of fine young men and women for their drive, initiative and motivation to become a chapter.

Dear Brothers:

The members of Rho Mu Chi, the professional business fraternity at Robert Morris College, have asked me to write a letter in support of their application for a chapter of Delta Sigma Pi. I am honored to be asked to write this letter, and I am pleased to give my unqualified endorsement to this application.

Ro Mu Chi had its origin here at Robert Morris College in 1971. Like most new organizations, the first few years were quite a struggle to obtain members and the type of leadership required for such an organization as far as the National Office was concerned. However, there has always been a great deal of interest at Robert Morris College due to both good student and faculty leadership.

The members of Rho Mu Chi have displayed initiative, responsibility, and originality second to no other organization on our campus. The professional program has been as good, or possibly better, than that of some chapters of Delta Sigma Pi with which I have been associated. The members also volunteer and work at many of the business faculty functions.

As a member of the Delta Sigma Pi Fraternity, I know that a chapter here at Robert Morris College would be one of which the Fraternity would be proud.

Sincerely,

Board of Directors DELTA SIGMA PI

Gentlemen:

As a May, 1979 graduate of Robert Morris College and past president of RHO MU CHI (1977-78) I have witnessed the growth and success of the fraternity first hand. Although relatively new, RHO MU CHI has been heavily involved in campus activities since it's inception. The time has come for a movement from local status to a bonafide chapter of DELTA SIGMA PI.

As a local fraternity RHO MU CHI carries a workable constitution instituting organized committee structures and pledge programs. The cream of the crop of the student body are the brothers and sisters who make up the organization and they have the backing of the faculty and administration. RHO MU CHI becomes increasingly stronger each year.

The organization has always been respected as a hard working fratern Besides a strong comradery shared with other greek organizations, RHO MU CHI enjoys a good rapport with the entire campus community. It's played an active role in sponsoring major business executive presentations. The fraternity has also manned various project for the Students in Free Enterprise Competition in the past two years in Dallas and Houston, Texas. The total effort was a huge success as the fraternity helped Robert Morris capture First and Second Place Awards against a field of 175 Colleges and Universities across the country.

What is needed now is the guidance and assistance of a national organization to inform and lead.

I sincerely recommend RHO MU CHI be heavily considered as a national chapter who will proudly carry the letters and ideals of DELTA SIGMA PI.

Sincerely yours in brotherhood,

Hal E. Martin

OF

HISTORY

#### HISTORY OF ROBERT MORRIS COLLEGE

Robert Morris College was founded by Andrew Blass in 1921 as the Pittsburgh School of Accountancy. During the 1920's and 1930's, the Pittsburgh School of Accountancy was the first and only school in Pittsburgh to offer specialized professional instruction in Business Administration and Accounting. In 1935, the school was renamed the Robert Morris School in honor of the financier of the American Revolution. By 1962, Robert Morris School was approved by the state to grant associate degrees in Business Administration and the Secretarial Administration, becoming Robert Morris Junior College. In the same year, 230 acres were purchased in Coraopolis, near the Greater Pittsburgh Airport for the purpose of expanding the college. The Department of Education of the commonwealth of Pennsylvania granted the right to award the bachelor of science in the business administration degree to the college, the name was changed to Robert Morris College. The college received permission from the Department of Education in 1975 to prepare teachers of business and office education. In 1977, the State Department of Education granted the college the right to award the master of science degree in Taxation, Business Teacher Education, and Business Administration.

Robert Morris College continues in its proud tradition as one of the country's finest private business schools. It has an excellent reputation with area business corporations as virtually thousands of firms have employed Robert Morris College graduates.

Robert Morris College, located in Coraopolis, Pennsylvania, is well known for its academic programs in the business field.

### ROBERT MORRIS COLLEGE

AT

SCHOOL OF BUSINESS

OF THE

HISTORY

#### HISTORY OF THE SCHOOL OF BUSINESS ADMINISTRATION

In 1962, Robert Morris College was established as a junior college. At this time the purpose of the School of Business Administration was to "provide professional training in various fields of business and industry, and to give background education which should enable the student to advance rapidly into positions on the supervisory level." As a junior college, Robert Morris College offered three majors; Accounting, Management, and Marketing. To obtain a degree in any of these majors a student had to fulfill four requirements. These requirements were;

1. A student had to obtain a minimum of 115 credit hours in Accounting, 112 credit hours in Management, or 105 credit hours in Marketing.

2. These credit hours had to be earned in fulfilling a prescribed program in the School of Business Administration as listed in the catalog.

3. A student had to receive a passing grade in all subjects and achieve an average Quality Point Ratio of at least 2.0.

4. Of the credit hours required the student had to earn at least 40 at Robert Morris College.

In 1969, Robert Morris College established a senior college division. To graduate from the junior college division a student was required to complete all designated courses and earn a minimum of 60 credits with a cumulative Quality Point Average of at least 2.0. The final 30 credits had to be completed at Robert Morris College. To graduate from the senior college division a student was required to complete all designated courses including the courses comprising the major concentration. The student was required to complete all these courses with a minimum Quality Point Average of 2.0 earned in all courses. The final 30 credits of all programs must be completed at Robert Morris College. At this time the School of Business Administration offered six majors. These majors were Accounting, Economics, Management, Marketing, Office Management, and Transportation. The stated purpose of the School of Business Administration was to direct its resources toward selected programs of study in administration for business leading to the baccalaureate degree.

Presently, Robert Morris College grants the bachelor of science in business administration degree (BSBA), the associate in science(AS) degree, and the associate in arts(AA) degree. Students who have completed a degree program with a cumulative grade average of C or better with at least a C in every course required for the major will be awarded the degree appropriate to the curriculum chosen.

Programs leading to the granting of the bachelor of science in business administration degree provide instruction and learning opportunities for undergraduates in the fields of accounting, athletic administration, business information systems, business teacher education, economics, hospitality administration, industrial communications, management, marketing, office administration, and transportation. Training in these fields is designed to develop competent business leaders who are fully aware of their social and civic responsibilities in the free and competitive enterprise economy of the nation.

Programs leading to the granting of the associate degree in business administration is designed to prepare students for lifelong learning and to qualify for entry into a career occupation. Robert Morris College students may elect to receive either, or both, the associate degree and the bachelor's degree. To qualify for a degree, candidates must successfully complete:

1. A minimum of 120 credits plus two credits of physical education for the bachelor of science in business administration

degree or a minimum of 60 credits plus two credits in physical education for the associate in arts or associate in science degree.

2. A cumulative Quality Point Average of at least 2.0 or higher where so specified for specific majors.

3. All designated courses.

4. A minimum grade of C in those courses designated as part of the major.

5. The 30-credit residency requirement of the College.

Robert Morris College is also authorized by the State Department of Education to award the master of science degree. The areas of graduate specialization are business administration, taxation, and business education.

Robert Morris College has grown a great deal in the last eight years. Since 1962 it has grown from a junior college to a college that has been granted the right to award the master of science degree.

OF THE

HISTORY

#### HISTORY OF RHO MU CHI ROBERT MORRIS COLLEGE

During the winter term in 1971, Rho Mu Chi Business Fraternity was founded on Robert Morris College's Moon Township Campus by Gerald Berenbaum, an assistant professor of accounting at the college. Being a Deltasig himself, Mr. Berenbaum realized the advantages of a chapter of Delta Sigma Pi on campus, and the benefits that it would bring to Robert Morris College, as well as Delta Sigma Pi. Rho Mu Chi remains the only professional business fraternity on campus today.

Mr. Berenbaum was the first faculty advisor for the fraternity, and his enthusiasm sparked the expansion and organization of the group throughout its first two years of existence. During 1973, the fraternity listened to numerous guest speakers in the marketing and management fields along with arranging a tour of General Motor's Fischer Body Plant in West Mifflin. The fraternity also won an award for outstanding achievement in services to the school. The campus was visited by then Executive Director, Charles Farran, in the fraternitie's first attempt to seek affiliation with Delta Sigma Pi. The fraternity also sponsored a basketball tournament playing the faculty members of Robert Morris College.

During the next two years the fraternity kept in constant correspondence with Delta Sigma Pi's central office in attempts by the group to go national, nearly succeeding one year except for lack of membership requirements.

car. The fraternity also updated its bylaws, charter, and

In 1976, with Ray Dziki as President, Rho Mu Chi became a member of The Greek Council Organization. Six of the members were invited and attended the Mideastern Regional Conference of Delta Sigma Pi. On the professional scene, speakers included J. William McNeil of McNeil Associates, who spoke on business planning, and B. T. Richardson from Mobil Oil, whose topic was diversification by major oil companies. A canned food drive was conducted with the food being donated to a local catholic church. Socially, both Halloween and Christmas parties were successes. Fund raising events included the annual book sale held after every fall semester.

1977 was a year with a complete schedule of professional and community activities. The fraternity toured the Armco Steel Plant in Ambridge and Mobay's Chemical Laboratory in Robinson Township. The group sponsored speakers from The League of Women Voters, Jones and Laughlin Steel, and United States Steel. The fraternity, for the first time, took an active part in Greek Week, a week long gala of sport events promoting the brotherhood of all Greeks. Fund raisers included a pancake eating contest, with proceeds donated to Children's Hospital and The Heart Fund, a very successful bowl-a-thon, and a foulshooting contest, along with the annual book sale. The group also sponsored a blood drive for Pittsburgh Blood Bank.

Rho Mu Chi adopted a formal pledge program similar to that of Delta Sigma Pi's pledge education program. In 1978, this program was further revised by Don Howard later in the year. The fraternity also updated its bylaws, charter, and structure to provide more efficient and organized operation. This year marked the first Rho Mu Chi weekend held, which consisted of a formal, a picnic, and a party. The group also participated in a few fun ski trips, along with a camping trip to Kinzoo Dam. Professionally, Rho Mu Chi invited speakers from Bell Telephone and a major accounting firm. Participation in a national competition for Students in Free Enterprise included the design, advertisement and sales of t-shirts, and Hal Martin, past President, and Ellen Langa, Vice-President of Rho Mu Chi, represented RMC in the competition at Dallas where they won first place. Community efforts that year included distributing over 2500 voter fact sheets in Moon Township to encourage voter registration and participation.

The 1979 school year was highlighted by the RMC fall carnival, in which Rho Mu Chi took the most active part by raising the most money of any organization on campus. Chairmanned by Barb DiYanni, Rho Mu Chi's current President, it was a huge success. Proceeds were donated to the D. T. Watson Home for Crippled Children. The fraternity also supported a blood drive sponsored by Greek Council and held a fund drive for a terminally ill member of RMC's staff. Fund raising for the fall semester included a \$100 raffle, a coupon book sale, and the beginning of our most successful bagel sale, which is now a monthly event. The fraternity took time out of its busy schedule to attend a boat ride sponsored by Greek Council and the Snowball, a formal dance sponsored by the Student Government. Our own Christmas party was a huge success, attended by numerous alumni members. The main event planned by Rho Mu Chi Fraternity in the winter 1980 term, is its induction into the International Fraternity of Delta Sigma Pi, and many efforts are being expelled for this memorable and honorable happening. Some of the events of the semester include the Muscular Dystrophy Dance Marathon, chairmanned by Rho Mu Chi's Tom Necastro, a pizza eating contest, a speaker from Arco, a tour of a local steelmill, participation in the moot court trials, various fund raisers, and numerous other activities.

Professional day and T-shirt day are held once a month by the fraternity. On these days, each member dresses in professional attire for professional day or wears their Rho Mu Chi t-shirts to set examples to others--our purpose for existing and the brotherhood which is present among us. RHO MU CHI
